DETAILED ACTION

This Office action is responsive to communication received 09/19/2005 –
Amendment.

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Frederick Handren (Reg. No. 32,874) on 10/31/2005. During said interview, it was agreed to cancel claim 6, previously withdrawn with traverse. It was further agreed to amend claim 7 to include the limitations added to claim 1 in order to provide consistency between the claim language in claims 1 and 7 and to further highlight those features that were argued in the remarks received 09/19/2005.

The application has been amended as follows:

IN THE CLAIMS:

Claim 6 has been CANCELED:

Claim 7 – line 11, after "%", a new line has been INSERTED with the language --said martensitic iron alloy having martensitic structure which makes up 90% or more of the total weight thereof--.

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: Claims 1, 2, 4, 5 and 7-10 are allowable over the prior art references of record in view of the arguments advanced on page 5, line 19 through page 6, line 17 of the remarks received 09/19/2005.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Sebastiano Passaniti whose telephone number is 571-272-4413. The examiner can normally be reached on Monday through Friday (6:30AM - 3:00PM).
